### Profile

Carianne is a highly experienced professional who has significant experience of working collaboratively with clients and their families who have been exposed to a diverse range of complex needs and difficult situations.

Carianne's career in social care goes back 25 years and since then she has been making a difference to people with unique and often challenging needs; advocating for them and enabling them to be independent in navigating their care and rehabilitation journey in order to maximise their quality of life.

As an experienced Social Worker, Carianne has extensive knowledge, skills and expertise in Adult Social Care and is used to managing a high intensity caseload of adults and young people with complex needs and situations; including assessing, meeting and reviewing needs, managing safeguarding issues, understanding mental capacity and when to make decisions in a person's best interest, writing reports and witness statements and working within the legal arena, including attending the High Court.

Carianne is an experienced manager of care and support teams designed to motivate and empower clients to develop the skills needed to manage their own needs and life transitions. She possesses excellent interpersonal and leadership skills that are vital for successful multi-disciplinary working and for achieving positive client outcomes.

Carianne is a conscientious, highly dedicated, and organised individual, whose thorough and interested approach to providing support for people with complex needs has yielded meaningful results.
